

## **Salt Tolerant Plant Material**

Perennials that will tolerate high amounts of salt:

*Armeria maritime* – Pink Sea Thrift  
*Calamagrostis acutifolia* ‘Karl Foerster’ – Karl Foerster Reed Grass  
*Dianthus pulminarius* x *allwoodii* – Helen Allwood Pinks  
*Elymus arenarius* – Blue Lyme Grass  
*Pennisetum alopecuroides* – Fountain Grass

Perennials that will tolerate a moderate amount of salt:

*Artemisia absinthium* x *Powis Castle* – Powis Castle Artemisia  
*Artemisia schmidtiana* ‘Silver Mound’ – Silver Mound Artemisia  
*Festuca* sp. ‘Elijah Blue’ – Elijah Blue Festuca Grass  
*Hosta plantaginea* – Hosta  
*Limonium latifolium* – Sea Lavender  
*Hemerocallis hybrida* ‘Stella d’ Oro’ – Stella d’ Oro Daylily  
*Sedum spectabile* ‘Autumn Joy’ – Autumn Joy Sedum  
*Liriope spicata* – Lilyturf  
*Heuchera micrantha* ‘Palace Purple’ – Palace Purple Coral Bells

Shrubs that will tolerate high amounts of salt:

*Caragana arborescens* – Siberian Pea Shrub  
*Juniperus* species – Junipers  
*Lonicera* species – Honeysuckle  
*Spiraea* x *Vanhouttei* – Bridlewreath Spirea  
*Symphoricarpus* species – Snowberry  
*Syringa* species – Lilacs  
*Aronia arbutifolia* *brilliantissima* – Red Chokeberry  
*Elaeagnus umbellata* – Autumn Olive  
*Hippophae rhamnoides* – Sea Buckthorn

Shrubs that will tolerate a moderate amount of salt:

*Acer ginnala* – Amur Maple  
*Buxus microphylla* – Boxwood  
*Forsythia* x *intermedia* – Forsythia  
*Philadelphus* species – Mockorange  
*Pyracantha* species – Firethorn  
*Viburnum trilobum* – Cranberry Viburnum

Trees that will tolerate high amounts of salt:

*Fraxinus americana* – Green Ash  
*Gleditsia triacanthos* – Honeylocust  
*Larix* species – Larch  
*Picea pungens* – Colorado Spruce  
*Pinus nigra* – Austrian Pine  
*Pyrus* species – Ornamental Pears

Populus grandidentata – Large Toothed Aspen  
Quercus rubra – Red Oak  
Aesculus species – Horsechestnut  
Juglans species – Black Walnut, Butternut  
Morus species – Mulberry  
Populus species – Poplar  
Robinia species – Black Locust  
Salix species – Willow  
Sophora japonica – Regent Scholartree  
Sorbus species – Showy Mountain Ash  
Ulmus species – Elm

Trees that will tolerate moderate amounts of salt:

Catalpa species –Catalpa  
Picea abies – Norway Spruce  
Tilia americana –Linden  
Acer species – Norway, Silver Maple  
Betula species – Paper Birch
